AVOID DORMANT ACCOUNTS

If your account remains inactive with no source of communication from you for 3 years, your account may be deemed abandoned and the funds turned over to the state. Don't let this happen to you! Here are a couple of suggestions to keep your account active: (1) **Automate Transactions -** Schedule small deposits or withdrawals via Online Banking or our Mobile App, (2) **Clean Up Old Accounts -** If the account is no longer needed, roll it over to another account or close it, or (3) **Contact Us -** Simply reach out to us by email or phone.

If your account has been closed due to inactivity or no contact for the previous 3 years, we are required to submit your remaining balance to the State of Texas. You can request these funds be returned to you through the State of Texas Unclaimed Property website.
